

FOR IMMEDIATE RELEASE

Access Networks Adds Ben Jurow as Territory Sales Manager, East

Encino, CA, January 25th, 2017 – Access Networks (accessca.com), the premier provider of enterprise-grade networking solutions for residential integration, has announced the appointment of Ben Jurow, Territory Sales Manager, East effective immediately. Jurow had previously been with Savant Systems and was a control systems programmer for integration firms in the New York area prior to his stint with Savant. Jurow brings a strong technical background as well as a keen awareness of the smart home marketplace to his role at Access Networks.

Jurow's experience working with leading home automation platforms and connected technologies has impressed upon him the importance of a well-engineered, stable network as the foundation for any smart home. "I have seen firsthand that advanced control and automation solutions work significantly better and more reliably when supported by a robust network," stated Jurow. "I am excited for the opportunity to strengthen existing partnerships and enhance the overall level of service to integrators in the region," he added.

Jurow will be based on Long Island, New York covering the US east of the Mississippi River. His appointment coincides with the grand opening later this year of an Access Networks facility in Easton, PA, providing support to integrators located in the eastern half of the US. "We are confident that Ben will deliver the level of service that integrators have come to expect from Access Networks," said Bryce Nordstrand, Access Networks CSO. "Ben's technical expertise and knowledge of the landscape will be an asset in the region and give us an opportunity to address increased demand for our products in the territory," he added.

Ben Jurow can be contacted at: ben.jurow@accessca.com / (646) 801-1010
