

FOR IMMEDIATE RELEASE

SAVANT® UNVEILS NEW PRODUCT ROADMAP AT 2019 INTEGRATOR SUMMIT

CEO Robert Madonna highlights exciting new products and significant innovations for the custom installation market

HYANNIS, MASS. — January 24th, 2019 — Savant, a leader in smart home technology, is hosting their yearly Integrator Summit, forecast to be the largest gathering of integration professionals in the history of the company. The summit will take place January 22nd-24th in New Orleans, LA., featuring Savant CEO and founder Robert Madonna presenting the keynote address and sharing an exciting product roadmap loaded with innovative solutions that highlight Savant's commitment to custom integration specialists. With well over a decade of experience in premium home control, automation and entertainment, Savant has brought luxury and convenience to intelligent homes and businesses around the world.

Savant will be sharing their vision for future products and services geared toward the needs of integration professionals. The newest solutions will continue to expand on Savant's position as an innovative force, driving the custom installation market forward by expanding all current product lines for video, audio, climate, lighting, shading, energy, control and more. A few highlights of the groundbreaking advances to be unveiled at the Savant Integrator Summit include

- Savant will introduce new Artison high-performance architectural loudspeaker products engineered for the custom channel
- Savant will unveil significant expansion to the IP Video and IP Audio product lines
- Savant will present new product offerings in the lighting and energy categories space, providing meaningful opportunities not available from any other control systems supplier
- Savant will reveal exciting new partnerships to benefit integrators and their clients
