

FOR IMMEDIATE RELEASE

James Loudspeaker™ Names Online AV as Independent Reps for Ohio, West Virginia, Western Pennsylvania, Indiana, Kentucky and Michigan

Napa, CA, October 25th, 2018 – James Loudspeaker (www.jamesloudspeaker.com), designers and manufacturers of the highest quality décor-friendly entertainment products for both residential and commercial applications, has appointed Online AV as their independent sales representation covering Ohio, West Virginia, Western Pennsylvania, Indiana, Kentucky and Michigan effective November 1st, 2018.

Online AV will be managing sales across what used to be three territories for James Loudspeaker, a pointed strategy explained by the brand’s National Sales Director Keith Parke; “Online AV is an impressive organization with a tremendously skilled team covering significant markets for us, and we look forward to establishing the James Loudspeaker brand as a highly valued, top tier vendor partner with this firm. We are confident that Online AV will increase visibility for James Loudspeaker with residential integrators throughout the region while showcasing our growing stable of fully customizable commercial loudspeaker solutions as well.”

Founded in 1989 and based in the Akron suburb of Wadsworth, Ohio, Online A/V represents manufacturers serving the high-performance audio, home theater and architectural audio/video markets with a team of 22 employees. “James Loudspeaker gives us the ability to provide customized solutions to integrators unlike any other manufacturer,” stated Online AV President Milo Kosich. “We are excited to bring truly high-performance architectural, landscape and marine loudspeakers to the region.”

Online AV also represents AudioControl, Salamander, Seura and many other leading brands.
