## **AudioControl Appoints Invision UK as Authorized Distributor for all Home Theater, Distributed Audio and Commercial Entertainment Products in the UK**

Seattle, WA, June 5<sup>th</sup>, 2019 – AudioControl ([audiocontrol.com](http://audiocontrol.com)), makers of innovative high-performance audio solutions for the residential, commercial and automotive markets has selected Invision UK for distribution across all residential, home cinema and commercial products throughout the United Kingdom. Invision UK is based in Suffolk, England and has been representing fine brands throughout the region for over 17 years.

“All of us at AudioControl are thrilled that Invision UK will be distributing our complete line of award-winning home and commercial entertainment products including theater processors, receivers and power amplifiers,” commented Chris Kane, VP of Sales at AudioControl.

“AudioControl home theater components have been installed in media rooms and cinemas all over the world, so it is very exciting that enthusiasts in the UK will be able to fully experience these products and their exceptional performance. Additionally, this is a great time to expand our relationships in the UK, as we have just launched the Avalon G4, a high power 4, 3 or 2 channel amplifier that is ideal for both cinema and other entertainment applications.”

For almost two decades, the team at Invision UK has provided value-added distribution of professional technology solutions for homes, hotels and businesses. Invision UK provides immediate, one-stop access to the very latest products and technologies as well as top notch customer service and exceptional technical support, resources now available to all AudioControl dealers and integrators in the UK.

Invision UK's managing director, Steve Beahan, said, “We are delighted to announce that as of June 1<sup>st</sup>, 2019, the complete AudioControl home and commercial range of products will be available exclusively through Invision in the UK, Ireland and Benelux. It is also great news for our customers, as for the last seven years we have been the sole distributor of AudioControl's distributed audio and multi-room amplifiers, and now they will be able to source the complete range of AudioControl products from us.”
