Savant® and Racepoint Energy Announce Senior Leadership Additions

HYANNIS, MASS. September 6th, 2019 — Savant, a leader in smart home technology, along with intelligent energy management solutions provider Racepoint Energy, have announced senior leadership additions to accommodate significant growth across both businesses. Additions are designed to support the companies as they drive continued expansion, enhance organizational efficiencies and deliver the highest levels of end-to-end customer experience from both brands channel-wide.

Racepoint Energy

Anna Demeo has accepted the position of President of Racepoint Energy. Anna has been an integral part of Racepoint Energy since the beginning and her industry experience, paired with her years in academia, enable her to bring a broad base of technical knowledge and marketplace experience in the renewable energy and the electricity grid sector. In her new role as president, Anna will help shape the next phase of growth for Racepoint Energy.

Savant

Savant has announced several senior executive level changes, including appointing JC Murphy into the new role of President. Working with CEO Bob Madonna across the company's functional teams, JC will drive all critical aspects of Savant's business to accelerate our channel's growth and profitability. Prior to joining Savant in 2011 as Executive Vice President of Sales, JC was the President and CEO of Cedar Point Communications.

As Executive Vice President of Strategy, Craig Spinner will head business development and corporate strategy for Savant. As the company continues its growth trajectory, Craig will expand key external partnerships and maintain a clear vision of how to increase visibility for the Savant brand across all product categories. With the company since 2005, Craig will leverage an exceptional understanding of the rapidly evolving control and automation marketplace.

"Savant and Racepoint Energy's steady growth and increased brand visibility were the driving force behind adding key senior leadership positions within the companies," said Savant CEO Bob Madonna. "I am confident that this leadership team will continue to drive the culture of innovation that has become the hallmark of both companies."
