Savant Now Shipping Premium Finishes for the Pro Remote X2

Rose Gold and Jet Black finishes add a touch of designer elegance to any room décor

HYANNIS, MASS. July 13th, 2020 — Savant®, a leader in smart home technology, is now shipping the premium finishes for the new Pro Remote X2, Rose Gold and Jet Black. The Savant Pro Remote X2 is the most advanced and intuitive smart home experience from a hand-held remote.

Savant's all-new Pro Remote X2 features an all-aluminum chassis, sleek, easy-to-press backlit buttons and a 3.1-inch high-resolution glass touch screen. The Savant X2 remote delivers a full range of control for Services and Scenes, including Entertainment, Lighting, Climate, Shades and more. And with Siri voice control, color control, Savant Truelmage lighting, plus the ability to select different video tiling layouts right from the screen, no remote experience delivers more power with such simplicity. Now available in three stunning finishes, the Savant Pro Remote X2 will provide users with the award-winning experience they have come to expect from Savant.

The Savant X2 empowers users to effortlessly personalize the smart remote experience, including adding and organizing icons for control of Favorite Services, Favorite Channels and Savant Scenes. The X2 remote can be tailored for the functionality of the room or to the individual user, making interaction with smart home features a breeze for every member of the family. The Savant Pro Remote X2 is also designed to provide users with quick access to the all-new Savant Home App for Apple TV, a groundbreaking smart home control center displayed on a TV screen.

Key features include:

- Aluminum chassis available now in Space Gray, Rose Gold and Jet Black
- High-resolution 3.1-inch touch screen and elevated, backlit hard buttons
- Programmable hard buttons for quick scene activation
- Control of integrated lighting, climate, security systems, Savant Music and more
- Personalization by user, including the ability to create and capture scenes right from the remote
- Siri voice control with Apple TV integration
- One touch activation of the Savant Home App on any TV

"The all-new Savant X2 takes functionality and personalization to another level," explained Savant President JC Murphy. "Adding the choice of premium finishes on top of the convenience of programmable hard buttons and a configurable touch screen make the Savant remote a truly personal experience for each user."

Charitable Donation

For every X2 Premium purchased, Savant will donate a percentage of the proceeds to the COVID-19 Solidarity Response Fund, led by the World Health Organization (WHO). Visit covid19responsefund.org to learn more about WHO's work world-wide.

Savant Integrators can order the Pro Remote X2 in all finishes on the Savant Store.
