Savant Announces New Smart Entertainment Partners

Premium projector and display solutions from Sony and Megapixel highlight new product offerings for integrators now available from Savant

HYANNIS, MASS. January 19th, 2023 — Savant Systems, Inc., a leader in smart home and smart power, has partnered with premium audio and video manufacturers Sony and Megapixel, providing integrators with even more best-in-class products as part of the ultimate smart entertainment experience.

Sony ES Home Cinema Projectors

Savant is now offering the Sony ES Home Cinema Laser Projector series through the Savant Store. The Sony ES front-projector lineup is an ultra-premium digital entertainment solution that enables integrators to deliver the finest video experience to discerning clients, while taking full advantage of Savant's award-winning integrator programs, including in-stock inventory, access to design and in-house technical support, and qualification for earned quarterly volume rebates.

Megapixel VR

Savant has partnered with Megapixel VR to provide integrators with the finest 4K and 8K video tiling solutions available. Megapixel is the unrivaled authority in video processing and cutting-edge professional display technology.

With over 200 technology patents, Megapixel is best known for delivering fast-tracked, customized, state-of-the-art LED displays and processing to leading live entertainment, film, TV, and commercial applications. Now, the breathtaking performance of Megapixel's power-efficient microLED technology is available to integrators, transforming modern living spaces like never before.

With a world-class team of engineers and designers, Megapixel consistently delivers the most unique and breakthrough LED solutions to the market, inspiring a sense of wonder and helping visionary clients bring their ideas to life in the most inspiring ways. They are the same team behind iconic large-scale displays at venues like MGM Cotai and Radio City Music Hall, events like the Oscars, Super Bowl halftime shows, Coachella, and visual effects for numerous blockbuster movies.

Sony and Megapixel Available Now from Savant

Savant now offers the ultimate smart entertainment solutions, including Sony ES Home Cinema laser projectors, further reinforcing Savant's commitment to supporting integrators in the growing home entertainment/home theater categories.

Savant now offers four pre-defined packages from Megapixel, ranging in size from 106-inch to 212-inch, as well as infinitely customizable configurations. Savant Integrators can also benefit from access to installation services, such as up to three days of onsite support.
