

FOR IMMEDIATE RELEASE

AudioControl Appoints Staub Electronics as their Home Audio Distributor for Canada

Seattle, WA April 3rd, 2024 – AudioControl (audiocontrolpro.com) has appointed Staub Electronics as their key distributor for the Canadian custom installation and home theater markets. Staub’s head office is in Richmond, B.C., with a second facility in Mississauga, Ontario. Staub Electronics was founded in 1981 and is a distributor of name brand consumer electronics products from over 50 industry-leading manufacturers. Staub Electronics has become known for their dedication to customer service, supplying premium solutions to specialty retailers and custom integrators across Canada for over 40 years.

“We are confident that the experienced team at Staub Electronics will increase AudioControl’s brand visibility to top integrators and home theater specialists across Canada, said Chris Kane, Vice President of Sales & Marketing at AudioControl. “Staub’s knowledgeable staff and dedication to service are an ideal match for AudioControl’s best-in-class products and services that include 70-volt amplifiers, surround sound processors, and Dante-enabled multi-zone amplifiers with DSP.”

“We are thrilled to partner with AudioControl, a leading designer and manufacturer of innovative high-performance audio solutions for residential and commercial markets,” commented Phil Maczuga, Senior Merchandise Manager of Staub Electronics. “Audio is at the heart of every project and the AudioControl team is dedicated to crafting exceptional audio experiences. Additionally, the recent acquisition of AudioControl by AVPro Global further strengthen their position to deliver innovative solutions that answer the needs of today’s integrator.”

Dealers and integrators in Canada can learn more by contacting their local Business Development Manager or by contacting the Client Services department at (888) 470-2211 or orders@staub.ca

Integrators have been relying on AudioControl’s quality, service, and support for nearly five decades.
