AVPro Global, Inc. Appoints New Principal Engineer

Audio industry pioneer with deep engineering expertise expands product development capabilities

SIoux FALLS, South Dakota, February 5, 2024 /News Release/ AVPro Global Holdings, LLC., parent company of AVPro Edge, AudioControl Pro, Murideo, and Bullet Train audio/video distribution products, today announced the appointment of Robert (Bob) Muniz, expanding AVPro’s product development proficiencies, particularly in advanced audio circuit designs with efficacious integration and conversion into commercially viable products. Muniz will report to Juha Nurminen, Director of Engineering, and oversee sustaining and new audio platform development for both the AudioControl Pro line of high-end amplifiers and AVPro Edge distribution amplifiers. Muniz brings extensive know-how in analog and switching-power design and product development from noted residential and commercial amplifier companies including EAW, Extron Electronics, Harman, QSC, and Sonos.

“Bob is an experienced engineer who developed Class-D amplification to achieve pro-audio sonic performance and designed benchmark power amplification circuitry featured in multiple prominent brands on the market today,” said Jeff Murray, AVPro’s CEO and Founder. “We are certain that Bob’s appointment will drive AVPro to be recognized as the best AV signal distribution company on the planet,” Murray added.

About Robert (Bob) Muniz

With 35 years of accomplishments in electrical engineering, Bob Muniz joins AVPro from Harmonic Power Conversion LLC where he managed an independent consultancy. Bob’s audio design legacy began at Harman Motive developing power amplifiers for the Chrysler/Infinity brand after which he joined QSC, LLC with following roles at Sonos, EAW, and the Extron Audio Power Team. Muniz is a graduate of Drexel University with a degree in electrical engineering and is responsible for dozens of commercially successful amplification products.

About AVPro Global Holdings, LLC

AVPro Global is a privately held American company headquartered in Sioux Falls, SD, with satellite offices in St. Petersburg, FL, Seattle, WA, Green Bay, WI, a European office in Bratislava, Slovakia, and an office in Shenzhen. The four AVPro Global audio/video-centric brands - AVPro Edge, AudioControl Pro, Bullet Train, and Murideo – combine their respective strengths to create the fastest-growing AV signal distribution company in the residential and commercial systems integration spaces, perfectly complementing AVPro Global Founder and CEO Jeff Murray’s vision, “To be recognized as the best AV signal distribution and control products and services company on the planet.”
