

AVPro Global Recognized Among 2025 Inc. 5000 Fastest-Growing Private Companies in America

Sioux Falls, South Dakota, August 12th, 2025 – AVPro Global Holdings, LLC, parent company of AVPro Edge, AudioControl Pro, Bullet Train, Murideo, RTI, and ThenAudio, has been named to the 2025 Inc. 5000 list, recognizing the fastest-growing private companies in the United States. Each year, the Inc. 5000 highlights companies that demonstrate remarkable growth, resilience, and innovation. The 2025 honorees have thrived despite economic headwinds, including inflationary pressures, labor market fluctuations, and continued global uncertainty, collectively adding thousands of jobs to the U.S. economy.

“AVPro successfully navigates the pressing concerns of our customer base, establishing our brands as the most dependable partners to residential and commercial systems integration firms,” said Jeff Murray, Founder and CEO of AVPro Global. “We are a family-owned, veteran-owned, and woman-owned company that is able to make bold decisions quickly—grow significantly within our marketplace and focus on serving our customers.”

“Making the Inc. 5000 is always a remarkable achievement, but earning a spot this year speaks volumes about a company’s tenacity and clarity of vision,” says Mike Hofman, editor-in-chief of Inc. “These businesses have thrived amid rising costs, shifting global dynamics, and constant change. They didn’t just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy.”

With more than a decade of sustained growth, AVPro Global has established itself as a leader in the AV industry by delivering mission-critical, high-performance products and brands known for advanced engineering and unmatched reliability. The company offers a comprehensive, integrator-focused portfolio that includes a full range of audio, video, control, and calibration solutions—designed to meet the needs of virtually any application for residential and commercial installations.
