SIoux FALLS, S.D., December 15th, 2025 – RTI, a global leader in control and automation solutions, has announced the appointment of the Adeo Group as the distributor for RTI residential and commercial solutions in Italy. This collaboration strengthens RTI's presence in a key European market, bringing its latest innovations even closer to Italian integrators. Founded in 2003 and based in Stazione di Lavis, Italy, Adeo Group is a distributor specializing in audio, video, automation, lighting control, security, home cinema, and networking solutions for professional integrators and AV specialists. Adeo Group has an experienced team covering all of Italy that supports the design, installation, and adoption of the most advanced technologies and automation platforms, both before and after deployment, ensuring the most efficient process as well as customer satisfaction. adeogroup.it

By teaming up with Adeo Group, RTI anticipates reaching a broader network of Italian professionals, elevating the standard of integrated control systems in both residential and commercial environments.

"We are looking forward to working with the team at Adeo Group in Italy, introducing the latest innovations from RTI to top integrators in the region," stated James Trumper, VP, International Sales at AVPro Global. "RTI has many fully customizable control solutions ideally suited for both residential and commercial projects, representing significant opportunities for integrators to exceed the expectations of every client."

Since 1992, RTI has been at the forefront of innovation in control and automation, transforming spaces into intelligent environments that enhance lifestyle and streamline operations. The comprehensive suite of products and award-winning support services empower integrators to craft personalized and intuitive control experiences optimized for every project.
