Booth 2H150 (Residential AV Solutions) and Booth 5A700 (Commercial AV Solutions).**

**SIOUX FALLS, S.D., January 27<sup>th</sup>, 2026** – RTI, a global leader in control and automation solutions, has announced the appointment of Stars AV as the distributor for RTI residential and commercial solutions in Spain and Portugal. Stars AV already represents AVPro Global brands AudioControl and AVPro Edge in the territory.

Based in Madrid, Spain and founded in 2010, Stars AV is a full-service distributor of audio multi-room systems, control and automation technologies, outdoor entertainment, home cinema equipment, speakers, video door entry systems, and related accessories to integrators and specialist dealers in the region. Stars AV supports dealers with technical and sales training, product selection/system design guidance, as well as help with client presentations.

“We are excited to work with Stars AV to reach a broader network of top residential and commercial integrators along with home cinema specialists in Spain and Portugal,” stated James Trumper, VP, International Sales at AVPro Global. “RTI is exhibiting many new and innovative control solutions at the upcoming ISE show in Barcelona, engineered to be ideally suited for both residential and commercial projects. We are excited to meet integrators and AV professionals at this event.”

“At Stars AV, we pride ourselves in the brands we work with, and we are thrilled to be adding RTI to our product mix,” explained Patrick Kahr, CEO of Stars AV. “RTI offers innovative and intuitive control solutions that we anticipate will be embraced by our dealer partners. We will support RTI with the superior training and technical services we have become known for with specialists across the region.”

Since 1992, RTI has been at the forefront of innovation in control and automation, transforming spaces into intelligent environments that enhance lifestyle and streamline operations. The comprehensive suite of products and award-winning support services empower integrators to craft personalized and intuitive control experiences optimized for every project.
