

AVPro Global Recognized Among 2026 Inc. 5000 Fastest-Growing Private Companies in America

Sioux Falls, South Dakota, August 13th, 2026 –AVPro Global Holdings, LLC, parent company of AVPro Edge, AudioControl, RTI, Bullet Train, Murideo, ProControl and ThenAudio, has been named to the 2026 Inc. 5000 list, recognizing the fastest-growing private companies in the United States. This marks back-to-back years on the list for AVPro Global. Each year, the Inc. 5000 highlights companies that demonstrate remarkable growth, resilience, and innovation. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment: its independent, entrepreneurial businesses.

"We continue to deliver innovative solutions that support our dynamic customer base, reaffirming AVPro brands as the go-to supplier for residential and commercial systems integration firms," said Matt Murray, CEO of AVPro Global. "As a family-owned, veteran-owned, and woman-owned company, we foster a culture of innovation that empowers our team to make bold decisions quickly, adapt to changing market needs, drive significant growth, and remain unwavering in our commitment to serving our customers worldwide."

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still. Their growth reflects more than strong financial performance. It reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement," says Mike Hofman, editor-in-chief of Inc.

AVPro Global has continued to grow, establishing itself as a leader in the AV industry by delivering mission-critical, high-performance products and building brands recognized for advanced engineering and unmatched reliability. Most recently, we leveraged the power of AI to expand our technical support capabilities with Tech Sage, a comprehensive 24/7 support ecosystem. We are also proud to have provided the world's largest 10G SDVoE AV-over-IP single-network deployment, powered by AVPro MXnet, at Mexico City's renowned Estadio Banorte, completed in time to host matches for one of the world's largest international soccer tournaments in 2026. Today, AVPro Global offers a comprehensive portfolio of audio, video, control, and calibration solutions designed to meet the needs of virtually any residential or commercial installation.
